Summer At Pinnacle

OUR SCHOOL

Summer Camp at Pinnacle Montessori offers non-stop opportunities for creativity, discovery, active play, social interaction and fun. Children ages 2-12 join a homeroom classroom that is thoughtfully prepared with materials and hands-on activities to engage all their senses while promoting creativity, movement, cooperation and collaboration.

STEAM-inspired activities enrich your child's experience through Science, Technology, Engineering, the Arts and Math. Abundant sunshine and fresh air are a must as children enjoy daily play on our nature-inspired playground. Montessori elements of independence, choice and responsibility carry over into the Summer Camp environment as we continue to inspire children to be their best possible selves.
